Memorandum

TO: New Freedom Cycle 4 Applicants

DATE: June 28, 2011

RE: Supplemental Instructions for Question 3b – Demographic Information (page 3)

The following instructions pertain to Question 3b in the New Freedom Large Urbanized Area (UA) Cycle 4 Grant Application. Question 3b is for administrative purposes only and is not a factor in determining which projects are selected to receive an award.

If applicants already have demographic information for their service area, that data can be used to respond to Question 3b (a two-part question). If applicants do not have the required demographic information, they can collect it from the U.S. Census Bureau website (<http://factfinder.census.gov>) using the detailed instructions below.

Part 1 – Does the proportion of minority people in the project's service area exceed 56 percent (i.e., the regional average minority population)?

The screenshot shows the American FactFinder website interface. Red annotations and numbered instructions are overlaid on the page:

- 1. Enter City or County***: A red box highlights the search input field where a city or county name should be entered.
- 2. Select state**: A red box highlights the dropdown menu for selecting a state.
- 3. Click on 'Go'**: A red box highlights the 'GO' button next to the search input field.
